ELOPING COUPLE ON THE MARIPOSA

Al Hilliary Brings a Bride to Honolulu Where He Will Manage a Cafe.

On the Mariposa yesterday came an eloping couple in the steerage concerning whom the San Francisco Call has the following story:

The steamer Mariposa, which sailed for Honolulu yesterday, carried away a happy pair of elopers—Al R. Hilliary and Carrie Henninger, both hard and fast in the holy bonds of matrimony in spite of a frowning, opposing mamma-in-law. It was the old story—a daughter choosing as her heart and not her mother dictated and a splendid fellow frowned down upon because he had not as much of this world's goods as the girl he loved.

Hilliary and Miss Henninger were married on Tuesday evening. Justice Barry united the loving couple at his home, 417 Van Ness avenue. Harry Brennan supported the groom and Miss Kitty Gorman acted as maid of honor. In spite of the hurried and necessarily private features of the wedding, the charming bride was appropriately dressed in an exquisite lace gown. Naturally, no cards were issued for the affair, but after the ceremony a number of friends joined the newly wedded couple at Zinkand's, where many bumpers were drunk to their future good health and happiness.

The beautiful young bride is the daughter of Mrs. B. Henninger, a wealthy widow, and Al Hilliary, the groom, is a well-known wine merchant of this city. The journey to Honolulu will be the bridal trip of the young couple, but they are to stay there, for the husband is to be manager of one of the best known cafes in the islands. Another charming feature of the elopement was the announcement through it of the engagement of Miss Gorman and Mr. Brennan, who, by the way, will adhere to the generally accepted customs and receive a parent's blessing at the nuptials.

STRIKERS EVICTED.

Japanese on Kauai are Turned Out of Their Houses.

On Kauai troubles continue with the Japanese, but the back of the strike seems to be broken. The plantation managers have given the strikers notice that if they do not wish to work they will have to leave the houses that have been provided them upon the plantations. Some have since returned to work while others have left their homes and say that they shall come to Honolulu. At Lihue there was a collision between the strikers and the men who had gone to work in the progress of which some of the combatants were pretty badly used.

The gang of strikers from Heela plantation on the other side of this island which came into Honolulu 110 strong, after interviews with some of the better informed Japanese in this city decided to go back to work.

At the Orpheum.

The "Girl from Paris" at the Orpheum to-night should prove the most popular bill of the season. This musical "eccentricity" by Rice had a very successful run in England and the States and provides an exceedingly humorous evening's entertainment. It is throughout a comedy with plenty of good songs and choruses, while in the presentation to-night will be sandwiched many characteristic dances of fandangoes and the like that should please vaudeville lovers.

Our Washington Business.

WASHINGTON, June 8.—The Secretary of State has notified Governor Dole of Hawaii that on and after June 14, the date on which the act making Hawaii a Territory of the United States goes into effect, all of the business of the Territory of Hawaii with the Government of the United States shall be conducted through and with the Secretary of the Interior.
